Dear Parent/Guardian,

I am writing to you for permission to give your child Tylenol or Advil if they have a temperature of 101 or above. I would give the recommended children's dose. If you have a daughter who experiences cramps during menstruation I would like permission to give her Tylenol or Advil for cramps. If you have any questions, please don't hesitate to call me. My number is 718-636-4573, extension 128. Please return this form signed on the first day of school. Thank you for your cooperation.

Sincerely,

Nonna Reznik
